

Federal Student Aid

2021–2022

Rutgers students rely on a variety of federal financial aid programs, including Pell Grants, Supplemental Educational Opportunity Grants, Work-Study, and Direct Loans, totaling more than \$519 million in 2021–2022. Each of these federal financial aid programs has a significant impact on the ability of Rutgers students to afford their education. Nearly 74 percent of the students at Rutgers currently receive some form of financial assistance—whether federal, state, private, or institutional support.

From the more than \$89 million provided to our 17,000+ Pell Grant recipients, to more than \$417 million in federal student loans, the federal government's investment in Rutgers students helps to make their education possible.
