

Federal Student Aid

Academic Year 2017–2018

Rutgers students benefit from a variety of federal financial aid programs, including Pell Grants, Supplemental Educational Opportunity Grants, Work-Study, Perkins Loans, and Direct Loans, totaling more than \$421 million a year. Each of these federal financial aid programs has a significant impact on the ability of Rutgers students to afford their education. More than 80 percent of the 69,198 students at Rutgers currently receive some form of financial assistance—whether federal, state, private, or institutional support.

From the more than \$84 million provided to our nearly 17,800 Pell Grant recipients, to more than \$323 million in federal student loans, the federal government’s investment in Rutgers students helps to make their education possible.
