

# Federal Student Aid

Academic Year 2018–2019

Rutgers students benefit from a variety of federal financial aid programs, including Pell Grants, Supplemental Educational Opportunity Grants, Work-Study, and Direct Loans, totaling more than \$426 million a year. Each of these federal financial aid programs has a significant impact on the ability of Rutgers students to afford their education. Nearly 80 percent of the students at Rutgers currently receive some form of financial assistance—whether federal, state, private, or institutional support.

From the more than \$91 million provided to our 19,000 Pell Grant recipients, to more than \$320 million in federal student loans, the federal government’s investment in Rutgers students helps to make their education possible.
